Facilities

1) Mechanical press set-up

- 75 ton -1 no
- 50 tons- 1 no
- 40tons – 2 no
- 20 tons – 2 no

2) Hydraulic press-3 no

Spot Welding M/C

- Mig welding M/C – 4Nos

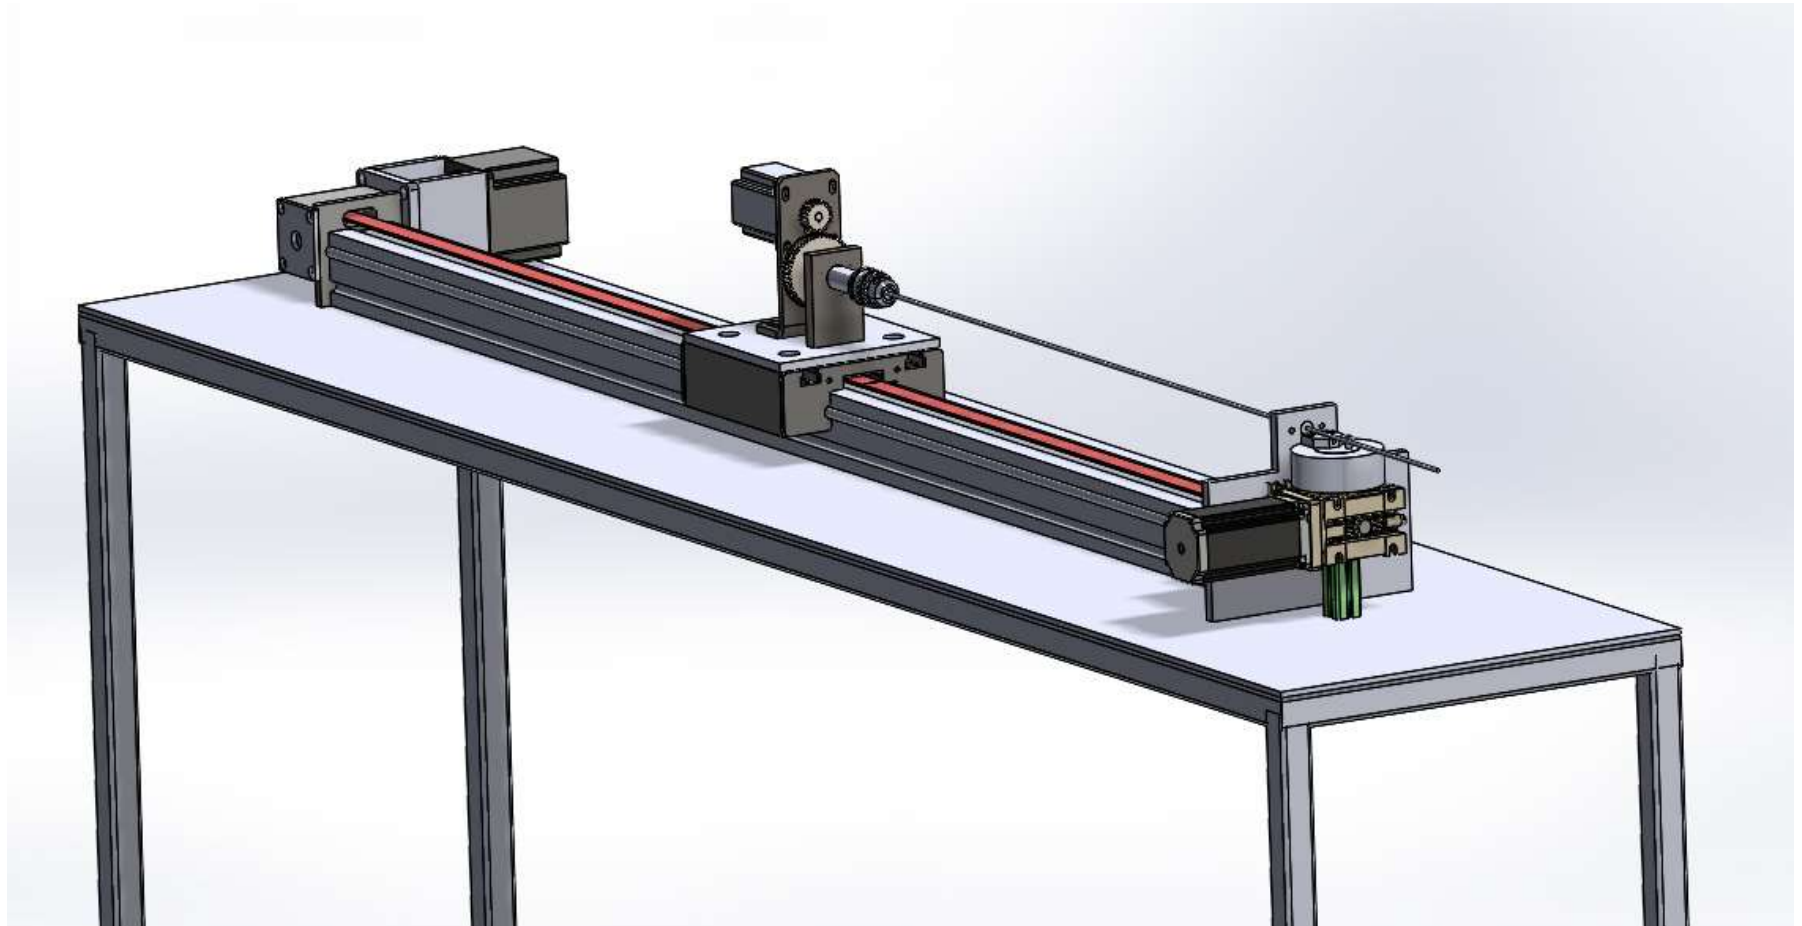

- Arc Welding M/C – 2Nos

Wire Forming Facilities

Automatic Wire Forming Machine

Our Products

Map Pocket used in Auto car

**Manufacture in-house &
supplies Map pocket to OEM**

Map/Paper Net used in Auto car

Wire Inserts -M.S./S.S./Spring steel

We have facility to mfg M.S./S.S./Spring steel wire inserts as per customer requirement

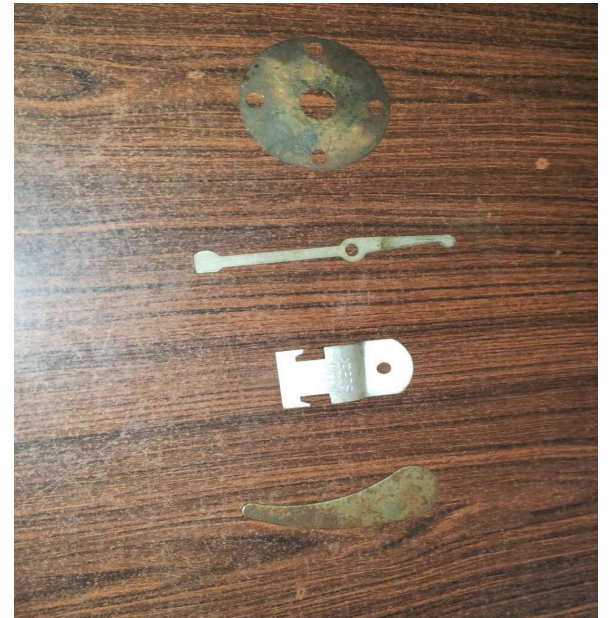

Press Part -Spring Hinge

(Production item 20000 /month)

Supplying to auto hardboard part manufacturer

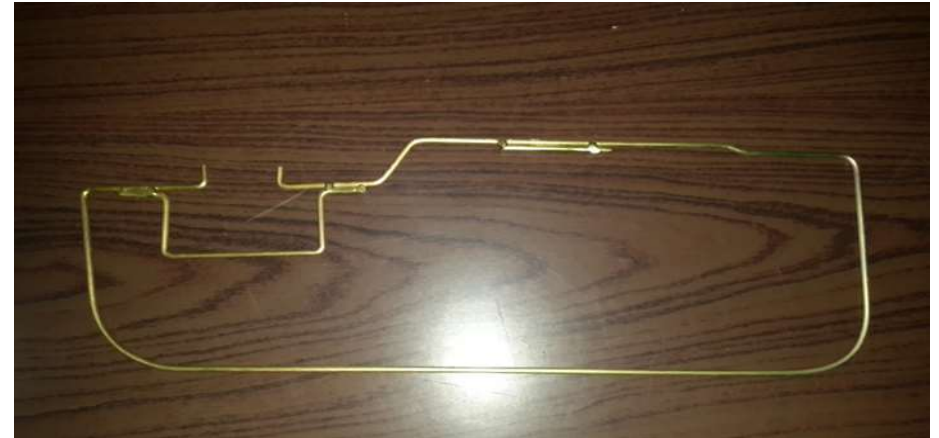

Sheet metal Part

Press Part

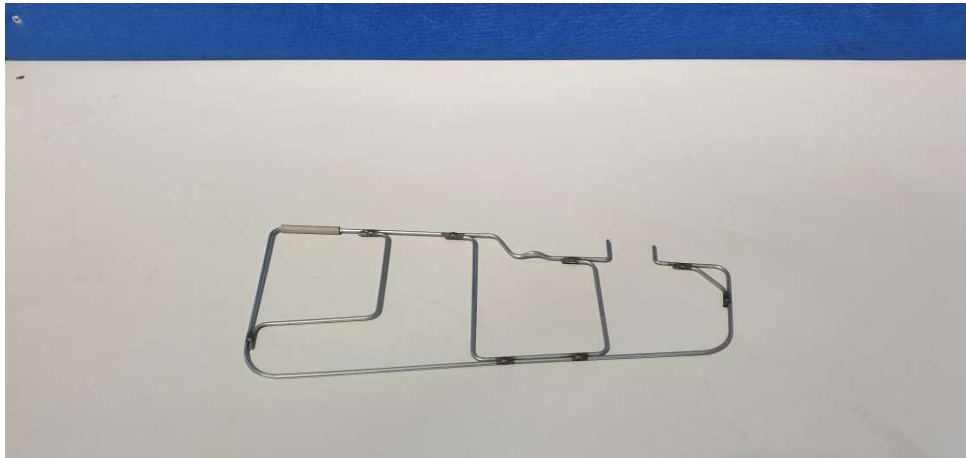

Sunvisor wire Frame

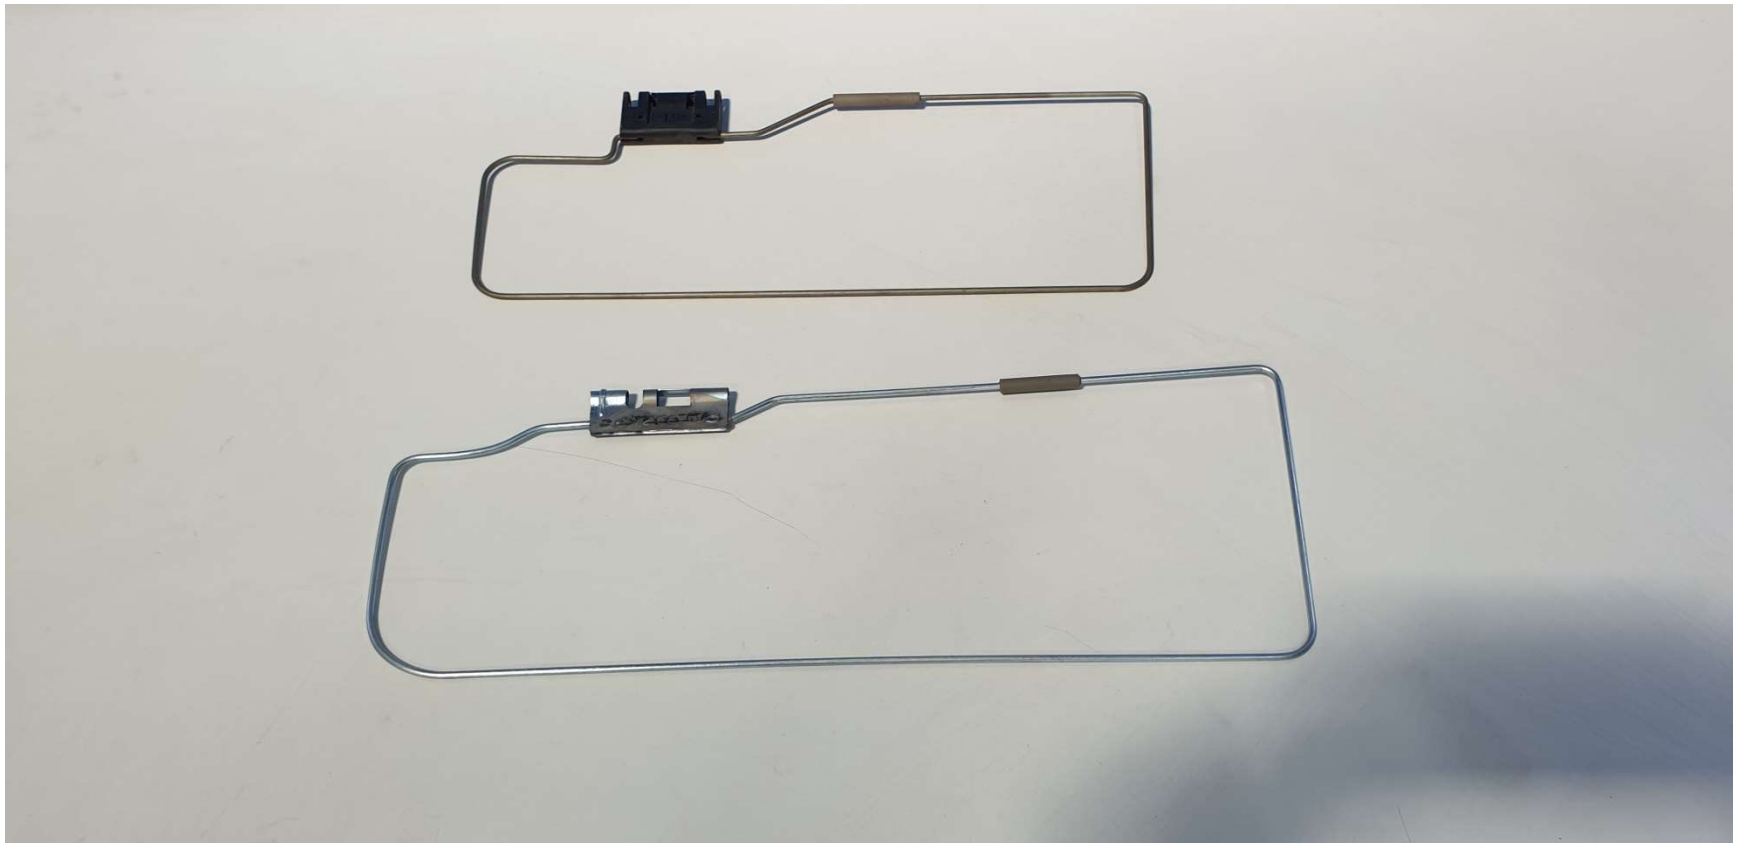

Production capacity of 50000 inserts per month

Sunvisor Frame

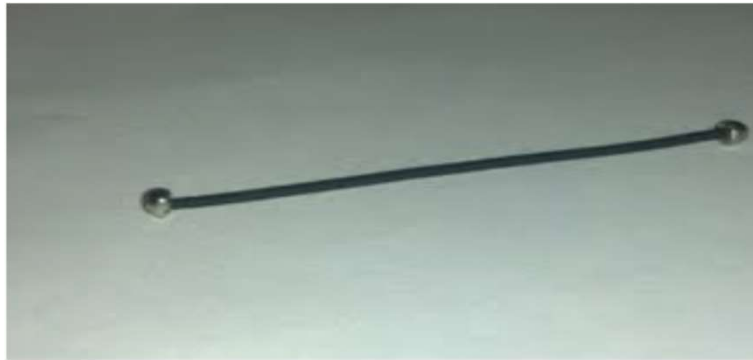

Wire frame

Electrical Enclosure Sheet Metal Box

Nylon string for back panel & P.P Elastic cord for Auto car used for Map Pocket /book holding net assly

Used in net assembly in auto car .

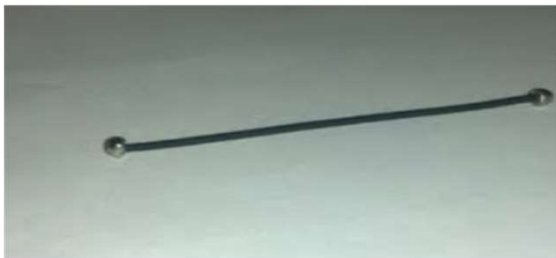

Stainless steel callot used in map pocket /book holding net assly
designed crimping tool to crimp callot on elastic cord

Crimping tool

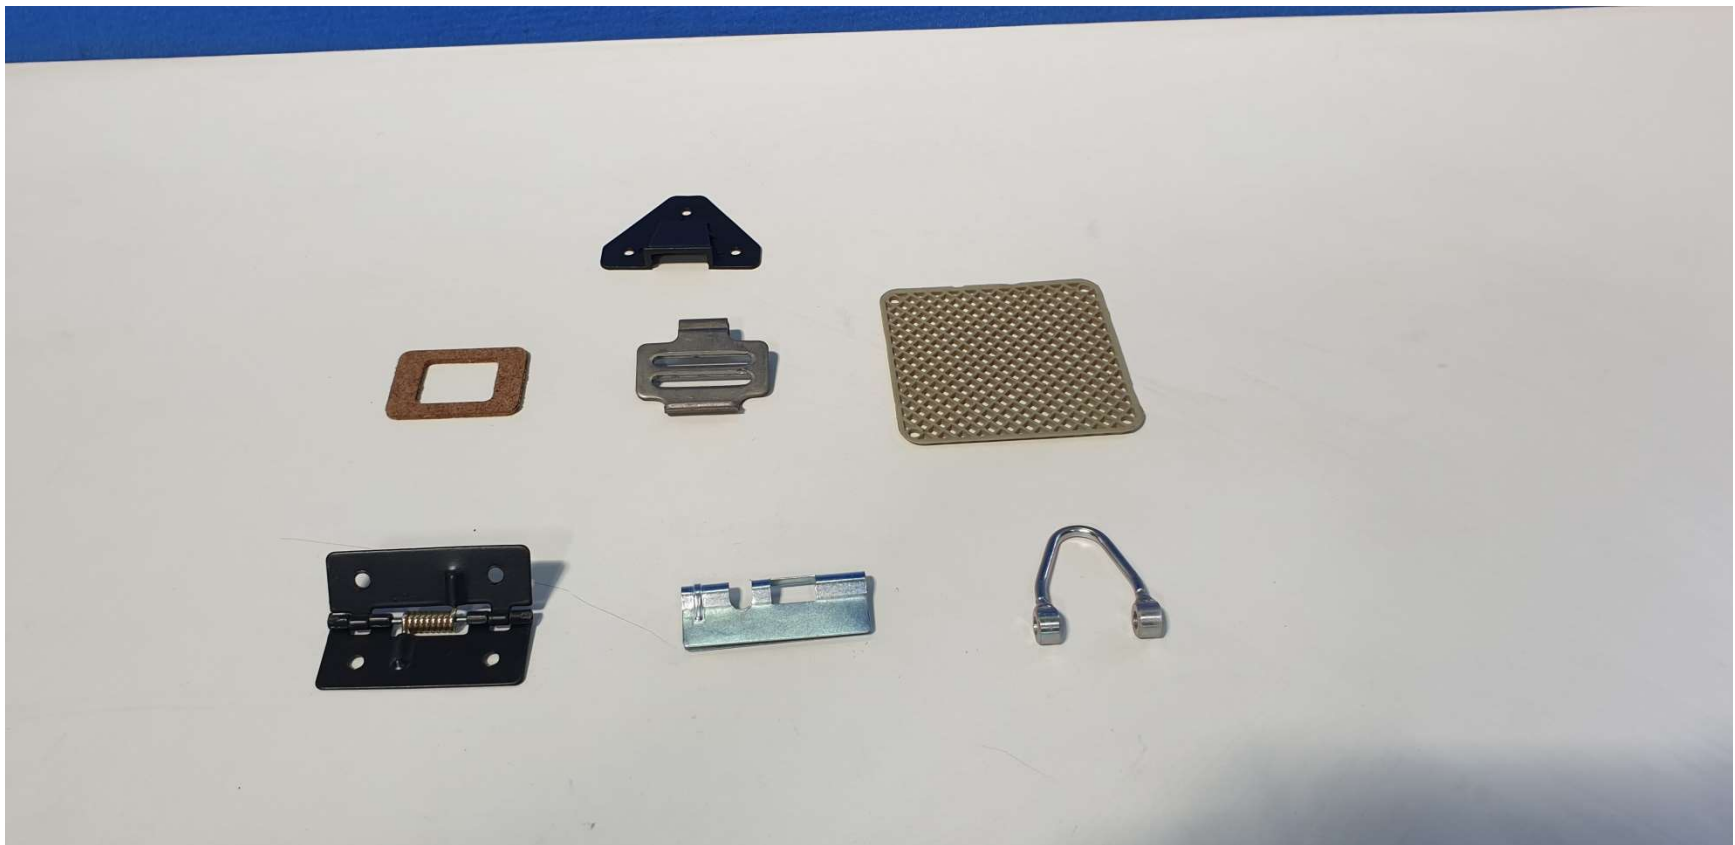

Designed Crimping tool to crimp callot

Used in net assembly in auto car .

Sheet metal/plastic part used in Engg/Auto Ind.

Auto Belt /Battery strap

Plastic Part used in Auto car

Auto car A/C vent

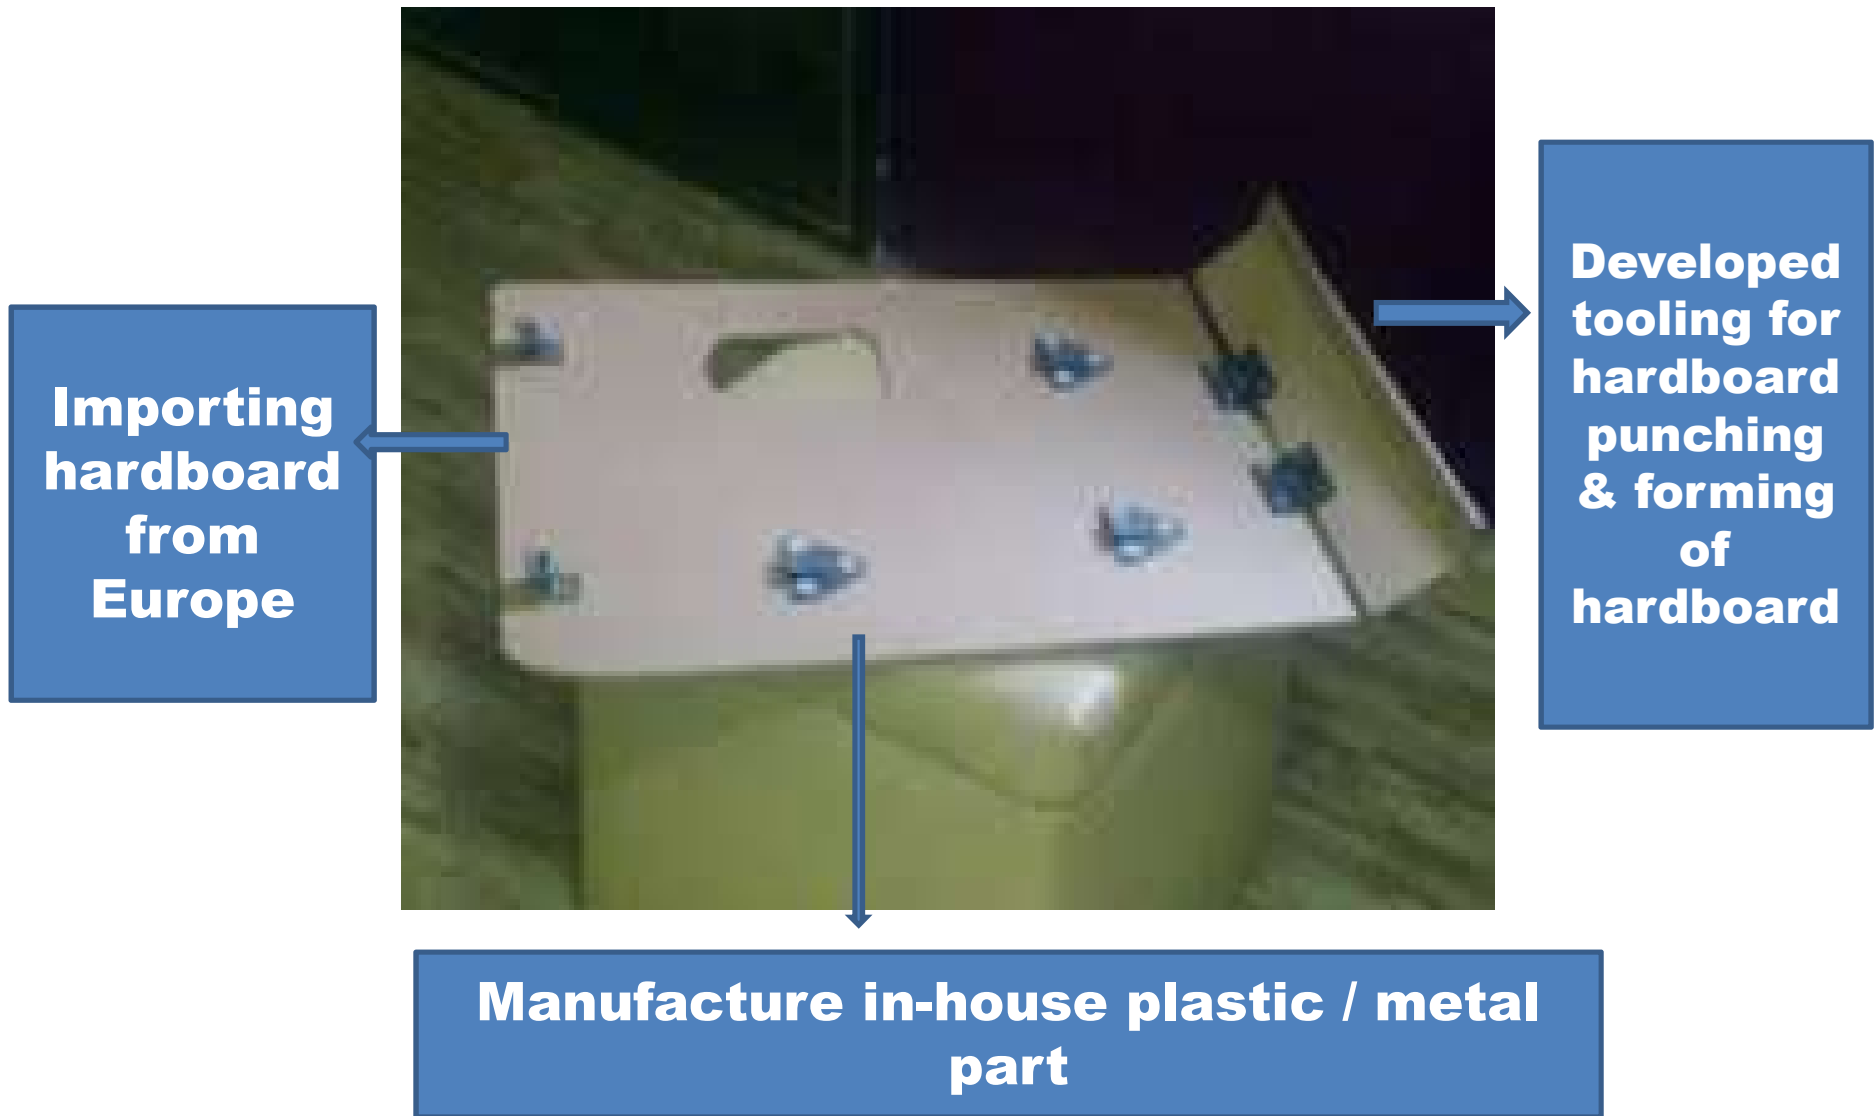

Plastic cup clip used in auto car seating back panel

(Production item 50000 /month)

Developed various plastic mould & We can also supply quality plastic part thru our group company .

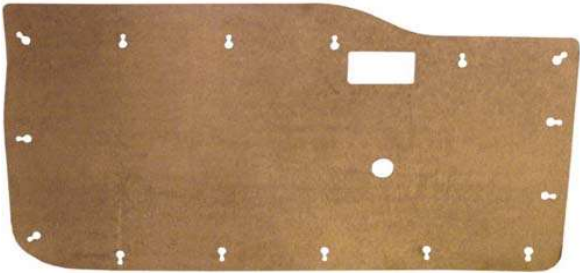

Auto car Hardboard Semi finish

Import Hardboard from Europe for parts used in auto car.

Hardboard Punching /Forming tool -We have facility to design & manufacture Any presss tools upto 2 meter x 2 meter

Supplies Imported rivet used in hardboard assembly. @ 2lakh pieces per month

Peel type rivet

Blind rivet used in metal part

foam mould for Auto car

Manufacture foam mould

Few Turned parts supplied by us .

Our End Consumers

UK Metal
